Doctors Lane Surgery Flu Clinic

We are holding our annual drive-through flu clinic at Middleton Lodge, Middleton Tyas (with kind permission from James Allison) on **Wednesday 7 October 2026**. You will be sent an invitation if you are eligible to receive the vaccine at this clinic. Please could you bring the letter with you when you attend, as it keeps our work up to speed.

Carolyn is also looking for volunteers to help direct the traffic. If you are free and can spare an hour or two, please leave a message for Carolyn at the surgery and she will get in contact with you nearer the time.

Thank you,

Doctor's Lane Surgery, Aldbrough St John

Thanks for a bashing!

Dear Ed.,

I want to say a huge thank you to all the volunteers whom have helped to fight invasive Himalayan Balsam this year! Sixty people have attended organised balsam bashing sessions, contributing 330 hours to date and we're still going. Countless others have pulled balsam while out on walks. Every plant pulled makes a real difference, removing hundreds of seeds from the environment.

We have run sessions in Dalton, Browson (near Newsham), Ravensworth, Whashton and Gilling West under the auspices of the Yorkshire Dales Rivers Trust and facilitated the start up of a group in upper Swaledale. West of Barningham, we have also worked on the Hope and Gill Becks with support from the Tees Rivers Trust. Numerous landowners have granted permission for balsam removal and surveys on their land.

The spread of balsam, which seemed an intractable problem a few years ago, is steadily being brought under control. This is a real testament to what communities can achieve when they work together.

Thank you all!

Martha McBarron, Barningham

[There's hope yet! Ed.]
