### Heartfelt Gratitude for Your Support!

A warm and sincere thank you to everyone who played a vital role in the success of the 'Stitch for Sophie' charity event - from those who participated, donated, to those who lent a hand in organising, and for everyone kind enough to bake cakes. Your collective efforts and generosity resulted in an impressive total of **£2,368.60** raised, alongside a large box full of knitted goods for the homeless. Together we created something truly special!

It was a day full of emotion, challenging, but it was ultimately rewarding. Our goal is to keep supporting charities through more creative events, and we would love for you to be a part of them. As such, we welcome you to come and join us at our upcoming festive wreath-making events:

### HOLMEDALE COMMUNITY NATURE PROJECT

Dear Ed,

I'm pleased to report that the Holmedale Community Nature Project meeting on 20<sup>th</sup> November was attended by about 30 people and was successful in moving the project forward to the next phase. Key outcomes from the meeting are summarised below for those who weren't able to attend:

- The project vision is for a 5-year programme that includes:
  - Parish capital projects (natural flood management, village green pond, educational garden, new woodland, etc.)
  - Farmer support & liaison to share information and work on plans under the new Environmental Land Management Scheme
  - Local habitat improvements (planting, litter-picking, invasive species removal)
  - Activities for individuals (talks, training, workshops, volunteer activities)
- The plans were well received. A series of talks and activities will commence in January, starting with:
  - A talk on "Healthy Rivers" by The Yorkshire Dales Rivers Trust
  - A training course on "Watercourse Naturalness Assessment" by the Freshwater Biological Association. This is a project to train people as "citizen scientists" and feeds into a national programme to assess, protect and conserve smaller watercourses.
- The group is exploring alternative funding opportunities, which require a properly constituted legal entity to be set up.
  - Two volunteers agreed to work on this with existing steering committee members.
- During breakout group discussions, many valuable suggestions and comments were provided for shaping the project as it moves forward.

All in all, it was a very constructive and positive meeting thanks to everyone who participated! Watch out for further updates circulated via parish magazines, The Flyer and direct emails. For further information, contact **Lizzie Rumble** at:

## Whorlton Thanks

As Christmas approaches and this old year draws to a close, I would like to thank the many people in Whorlton who volunteer their time and efforts to making village life work well for us all. I'm thinking of Amanda Long who comes with her father Gordon to keep the new cemetery in perfect condition, cutting the grass and controlling the weeds; Anne and Ian who continue to clear rubbish from the verges in all weathers and seasons; Liz and Roz who organise coffee mornings once a month in the village hall so we can all have a catch up and all the people who bake and donate delicious cakes and scones for those events. I would also like to thank the members of the Parish Council and the Community Association for all the time they give freely to the village and the people who care for the church and organise events there like the recent Harvest Supper. And I would like to thank Peter and Michele Bigge who have donated a magnificent Copper Beech Tree to the village to replace the green one which was delivered in error last November.

Thanks to all those of you who step forward and volunteer in our community. Whorlton is a really lovely place to live. A Merry Christmas and a Happy New Year to everyone!

Mary Stastny

### Property Marking by the Police Dalton and Gayles Village Hall Saturday 2<sup>nd</sup> December 10:00 – 12:30

Dot-peen marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number is then put into the national Immobilise property register database. It can be done to everything from steel and aluminium to plastic, so you can mark almost anything, from farming equipment, power tools, to electrical devices, bikes and equestrian tack. *So come along and get your items security marked!*

### WHASHTON NEWS

#### News on what's been happening

The Autumnal Big Clean on Sat 11<sup>th</sup> Nov took place with volunteers helping committee members doing all those extra jobs that are required to keep the hall spick and span. A big thanks to all those who turned up to help, much appreciated. The 60's themed Sharing Supper on Sat 18<sup>th</sup> Nov was great fun. Lots of good food with a 60's twist, eaten by people dressed in their 60's outfits listening to 60's music. The Village Hall Committee would like to wish everyone a very Merry Christmas and a Happy New Year and to thank everyone who has supported the hall during 2023.

Fancy a game of **Table Tennis**? Dalton & Gayles Village Hall now has one you can hire - contact Sue Farr on 07761 800643 to arrange a time to play. Prices: £5.00 for a family, £2.00 per adult, £1.50 per child under 16. Children under 16 must be accompanied by an adult. We are hoping that a regular session would allow people to come along and play and hopefully a club could be formed. If anyone is interested in running a club, please let Sue know.
